ITEM DESCRIPTION: Grant Approval

PREPARED BY:

Dan Slavin

On September 13, 2003 Public Safety Agencies from throughout the county will be participating in an exercise at the Rochester Airport. This exercise will involve a chemical release and a potential biological hazard. Participants will use this as an opportunity to evaluate their individual departments as well as interoperability. As always you are invited to attend.

Some of the costs of this exercise will be paid for by grants that are already in the possession of the City and County. The Rochester Fire Department is requesting that the Council approve a \$1500.00 grant from the State of MN to help offset the costs of the exercise.

COUNCIL ACTION REQUESTED

Acceptance of \$1,500.00 grant money from the State of MN for September 13, 2003 exercise.
